Submission Statement of Community Involvement

Thank you for your letter received 10 April consulting The Theatres Trust on the Submission Statement of Community Involvement.

The Theatres Trust is the national advisory public body for theatres and a statutory consultee on planning applications affecting land on which there is a theatre. This applies to all theatre buildings, old and new, in current use, in other uses, or disused. Established by The Theatres Trust Act 1976 *'to promote the better protection of theatres'*, our main objective is to safeguard theatre use, or the potential for such use but we also provide expert advice on design, conservation, property and planning matters to theatre operators, local authorities and official bodies.

Thank you for including The Theatres Trust in Appendix 2 as a statutory consultee for planning applications concerning theatres.

Thank you also for adding a paragraph at 4.3 regarding details for joining the database. However this is noted as para. 3.2 on page 70 of the Pre-Submission Consultation Statement.

We find the Submission SCI to be **Sound** and look forward to being consulted on further LDF documents especially the Core Strategy stages and any associated relevant SPDs such as Developer Contributions, Development Control policies and Area Action Plans.
